

PRISON INDUSTRIES.

Prison industries are existed at the Central Prison Karachi, Hyderabad and Sukkur where different skills are conducted for training of the prisoners to learn the different skills for their earning honorably after lease.

Carpet Manufacturing.

Dari Manufacturing.

Textile

Carpentry

Smithy

Tailoring etc.

Laundry

24 Power looms are installed at Central Prison Hyderabad,
10 Power looms and 10 Juki Sewing Machine are installed at Central Prison Karachi.

Due to non-availability of the funds for purchase of raw material and maintenance machinery the same are not properly utilized and the work at smaller scale on self help basis is carried out due to which desirable result of manufacturing and training to the prisoners cannot be achieved. However, to a little extent from time to time the said machines are put in use on self help basis. It is further stated that the manufacturing in other trades like carpet, dari, textile manufacturing, tailoring, smithy, carpentry and laundry is also being run on small scale on self help basis.
